RIESLING

VINEYARD REGION

Sourced from The Mound Vineyard, situated on the South side of the Waipara River with deep free-draining gravels and a light loam top soil.

VINTAGE CONDITIONS

Warm and wet conditions in January meant the vineyard crew had their work cut out for them managing growth. Some very hot days in February hastened ripening and lead to quite a compact harvest period. Consequently the fruit was picked in good condition and with great flavour.

VINIFICATION

Fruit was picked whilst vibrant and clear of disease. Press cuts were made on all parcels. Clean juice was fermented at cool temperatures to desired residual sweetness and kept on light lees until ready to bottle.
