PINOT NOIR ROSÉ

VINEYARD REGION

Sourced from The Mound, Deans and Home Block vineyards in the Waipara Valley, with deep free draining Glasnevin gravels.

VINTAGE CONDITIONS

Due to wet conditions over the flowering season, overall yields of Pinot Noir were down. However the hot summer and warm autumn that followed ripened the fruit beautifully. These conditions continued through harvest ensuring the fruit was pristine.

VINIFICATION

Pinot Noir fruit parcels were harvested in the cool of the morning, crushed and soaked on skins for 4 hours to develop colour and flavour. The drained juice was settled and racked before starting fermentation. Once the desired sweetness levels were reached, the ferment was cooled and stopped. The wine was then left on yeast lees for several weeks before removing from lees to retain the vibrancy of the fruit character. Finally the wine was fined using traditional methods and finished for bottling.
